Dear Bruno,

On behalf of the Partner Families and Staff at Habitat for Humanity Toronto, I'd like to thank the members of the International Union of Painters and Allied Trades for volunteering their time at our Hainford build site in recent weeks. It is the generosity of people such as your staff that make Habitat a success and allows us to continue to provide families in need with affordable housing.

Habitat for Humanity Toronto is always in need of volunteers with construction experience. For those with a background in building and renovation, we need *you!*

If you are looking for a meaningful way to give back, show off your construction skills, and network with others in the trades, Habitat for Humanity Toronto has a perfect volunteer opportunity for you.

To view the sites we are currently building at or to schedule a build day you can simply visit www.torontohabitat.on.ca/scheduler.

For those who are interested in learning more about volunteering for Habitat Toronto, I would be happy to provide further information. Please do not hesitate to call me directly at 416-755-7353 x 225 or at stilly@torontohabitat.on.ca.

To building homes and hope,
